FRIEDMANN "CURE" HAS POOR RESULTS WASHINGTON GAS

Ninety Per Cent Unimproved. Many Show More Disease Than When Inoculated.

NEW YORK, May 26-Nine, ner cent of the tuberculosis patients > New York hospitals who have submitted to De Friedrich Friedmann's turtle germ cure during the last three months are worse, and in only one case is there any such improvement as would support the physicians who have been watching the

opinions of casual observers, it was stated, but are borne out by the official records showing the results of clinical examinations by numerous ex-

clinical examinations by numerous experts in tuberculosis.

In Bellevue Hospital, out of thirty-three patients treated at various times, only three are said to have shown outward signs of improvement together with clinical signs of betterment such as to indicate an arresting of the disease. The other thirty cases all show, whatever outward signs of improvement may appear, that there has been a steady advance in the disease.

A number of the cases are in bad condition, so much so that some of the Bellevue physicians go as far as to say that the turtle vaccine has been a handicap.

Caminetti will be opposed in the Senate," said Congressman John E. Raker of California, an ardent supporter of Caminetti for the position "I do not believe there is anything ninetti for the position of General of Immigration.

According to gossip, representatives of Chinese and Japanese interests are against Caminetti because he is an Asiatic exclusionist. It is said attorneys will file letters of protest with the ident and various Senators, but no oof of this statement is forthcoming.

"Caminetti is a member of the California State senate," said Mr. Raker today. "He voted to amend the Webb
bill in accordance with the wishes of
the President and Secretary Bryan, but
when the amendment failed he voted
for the bill as it stood. I do not believe either California Senator will oppose his confirmation."

Three Stowaways Will Be Sent Back Home

NEW YORK, May 26.-Three stowaways arrived in port today, two on the St. Paul and one on the La Lorraine. They were taken to Ellis Island and will be returned the first two to England and the third to France on the next available steamer. All three are young men. They hid in the hold until hunger forced them on deck. They were put to work passing coal and leaning brass.
